

August

# Summer Reading & Math Club

## Math Club

During Math club, students will work on reviewing skills that will help them in all areas of math. We will also use computer programs to work on individual math areas.

## Reading Club

During reading club, students will be given new tools and reminded of some old tools that will help them continue to be better readers. They will participate in some group activities such as Readers Theater and some independent work where they can choose what they would like to read.

In both groups, all activities will be completed at the time of Math or Reading Club and any additional work will only be encouraged and not required. The cost for the class is \$10. All supplies will be provided.

**Please fill out the registration and return it to the school by May 24<sup>th</sup>.**  
If you have any questions, you can contact:  
Mrs. deNeui [mdeneui@chokioalberta.k12.mn.us](mailto:mdeneui@chokioalberta.k12.mn.us)
